**FUJIREBIO DIAGNOSTICS NAMED ONE OF THE BEST PLACES TO WORK IN  
PENNSYLVANIA**

*Malvern-based company places as one of fifty best medium-sized companies*

**MALVERN, Pa. October 6, 2008** – Fujirebio Diagnostics Inc., a Malvern-based company, was recently named one of the Best Places to Work in PA for 2008 in a statewide survey and awards program created by a public/private partnership of Team Pennsylvania Foundation, the Pennsylvania Department of Community and Economic Development, the Pennsylvania Chamber of Business and Industry, and the Central Penn Business Journal. The Best Places to Work in PA program is designed to identify, recognize and honor the best places of employment in Pennsylvania, benefiting the state's economy, its workforce and businesses.

Fujirebio Diagnostics, the premier cancer diagnostics company and the industry leader in cancer biomarker assays, employs 125 people in Pennsylvania. Fujirebio Diagnostics specializes in the clinical development, manufacturing and commercialization of in-vitro diagnostic products for the management of human disease states, with an emphasis in oncology.

“Our strength is in our employees and we strive to create the best environment for them,” said Paul Touhey, Chief Executive Officer and President, Fujirebio Diagnostics Inc. “This commitment to our employees ultimately translates into quality service for our customers. We are extremely proud of our employees and this honor.”

Created in 2000, the awards program is one of the first of its kind offered by a U.S. state. Fujirebio Diagnostics will be recognized and honored at the Best Places to Work in PA evening awards ceremony on Tuesday, December 2, 2008, at the Hershey Lodge & Convention Center. More information about the awards program can be found at <http://www.bestplacestoworkinpa.com>.
